

University View Civic Association Meeting Notes June 9, 2023

Bobbie Olt, President, UVCA called the meeting to order.

Wayne Newman, Treasurer, UVCA provided an accounting of our balance, \$2,603.67 as June 9th.

Bobbie provided a brief history of the UVCA and introduction of officers.

Several new residents were in attendance, and the opportunity was taken to introduce everyone.

The UVCA will re-start for 2023 and gauge community involvement & support to determine future status.

Lots of new families and young people in the neighborhood, so the time to re-engage is ideal. The spring Easter Egg hunt was a big success.
